To Move Medical Veterans Headquarters To Louisville

(By Associated Press)

Louisville, Ky., June 5—Definite decision to move the national headquarters of the Medical Veterans of the World War from St. Louis, the present location, to Louisville has been reached, according to an announcement made here by Dr. A. T. McCormack, president of the organization.

The organization formed at Washington three years ago for the purpose of perpetuating the medical ideals of the physicians who served in the United States in the World War, has, according to Dr. McCormack, 6,000 members. The transfer will mean the shifting of the executive secretary, General F. F. Russell, and a corps of clerical workers.

On the board of directors of the organization at the present time are Maj. Gen. Merritt W. Ireland, surgeon general of the army; Maj. Gen. E. R. Stitt, surgeon general of the navy; Dr. A. P. Dodson, dean of the medical college of the University of Chicago and Dr. A. R. Brewer, New York surgeon. Its former presidents were Dr. Frank Billings, of Chicago and Dr. Victor Vaughn, of Lansing, Mich., both of whom also are past presidents of the American Medical Association.

Shriner Shot By Accident During Lodge Ceremony

(By Associated Press)

Madisonville, Ky., June 5—During a ceremony at the hall of Ritzpah Temple, Shriners, May or Dock Porter, of Clinton, Ky., was shot accidentally by Edwin Rash, a fellow Shriner, the 38-caliber bullet ranging through his thigh. He is under treatment at the hospital.

DEATH OF OLD ROSEBUD A BLOW TO TURF

(By Associated Press)

Louisville, Ky., June 3—The announcement that Old Rosebud had met with a bad accident which forced his owner to destroy him, was received with regret by all followers of the thoroughbred sport. But in the Blue Grass the loss of the once great race horse touched a much wider circle than that composed exclusively of followers of the turf.

For Old Rosebud was true son of the Blue Grass. The time in which he won the fortieth renewal of the Kentucky Derby in 1914—2:03 2-5—still stands as the record for the classic, notwithstanding the sterling thoroughbreds, including Sir Barton, Omar Khayyam, Regret, and Morvich, that have gone the mile and one-quarter to win the race in the eight years that have passed since the sturdy son of Uncle led the field to the wire at Churchill Downs. His name has been a household word and the symbol of speed in Kentucky homes for years and persons who never had witnessed a race spoke familiarly of "when Rosebud won the derby."

Before meeting with an accident in his early three-year-old form he was probably the speediest race horse this country has ever known.

Writing of the death of the great racer, V. Sanders, turf writer, relates the following incident in connection with a superstition entertained by Mr. Weir that to permit the holder of the Derby record to be photographed would bring bad luck to the splendid animal.

"Just after Old Rosebud had won the Derby, I was assigned by the managing editor of the Times to take the staff photographer to the Downs and get a picture of the horse in action. Mr. Weir threw up both hands and flatly refused me a picture of Old Rosebud, saying: 'It's the worst luck in the world. I shall never consent to your taking Old Rosebud in any position.'"

"I saw Col. W. E. Applegate, father of the half-owner of Old Rosebud, and asked him to arrange it. He tried hard to get Mr. Weir to bring the horse out on the course but to no avail. Finally Colonel Applegate told me that the colt was going to be worked the wrong way of the course the day before he was to be shipped east and if I could have the photographer there he thought there would be a chance to get his picture. We were on hand and Old Rosebud was brought out and given a stiff breeze. The photograph was made, showing his wonderful stride.

"That afternoon he was taken to Belmont Park. In his first race there he practically broke down. Mr. Weir, when he heard that a picture of the colt had been made before he left Louisville attributed his mishap to that fact."

Old Kentucky Home Board

Is Appointed by Governor

Frankfort, Ky., June 3—Governor Edwin P. Morrow today appointed Mrs. A. T. Hertz, Mrs. Thurston Ballard, Judge Robert Worth Bingham, C. Lee Cook, Young E. Allison, Marvin H. Lewis, of Louisville, and Ossa Stanley and Arch Pulliam, of Bardonia, members of the Old Kentucky Home commission created by an act of the last legislature.

Louisiana Hits Racing

Baton Rouge, La., June 3—The state senate of Louisiana took the first steps toward outlawing race betting by passing the Butler anti-racing bill by a vote of 22 to 18, only one vote margin for the necessary majority. The bill has yet to pass the House. If it passes there it means racing will be stopped in Louisiana.

Sheriff's Car Put Out

Of Service By Enemies

Owingsville, Ky., June 5—Sam Estill, sheriff, went to Olympian Springs to serve two warrants in which selling liquor was charged. While he was seeking the men, unknown parties cut the tires of his car and by other damages, put it out of commission. He was forced to return home by buggy.

RESOLUTIONS ADOPTED BY SUPERINTENDENTS

At the Convocation of County School Superintendents at Eastern Normal, the following resolutions were adopted before adjournment:

We, the committee on Resolutions, beg leave to submit the following:

1. Whereas the last session of legislature increased the school term from six to seven months and made no provision for extra funds, we endorse the extension of the term for the good of the children and appeal to the loyalty and devotion of the teachers of the state to put not only spirit of love into their work but that each take some step in the way of local leadership to sustain said extension of term.

2. Whereas, a complete organization of the teaching force of the state has never been effected, and whereas, a need of such an organization is felt to create proper sentiment for support and direction of coming legislation, we recommend that every county superintendent enroll every teacher actually engaged in teaching, as a member of the County Teachers' Association, which shall be considered a unit of the K. E. A. and from each member shall be collected a minimum of \$1.00 as membership fee in K. E. A., plus such other amount as may be needed for county library and other expenses of said unit.

3. Whereas, the Southern School Journal has, for the past 33 years, been the most potent influence in agitating promulgating and advocating the steps of progress in the development of the school system and K. E. A., we recommend that each county superintendent include in estimate of dues from each member of the County Association Unit a subscription price of Southern School Journal.

4. For the more complete functioning of these units, we recommend an all time secretary for the K. E. A. to the end that the work of units may be more perfectly co-ordinated.

5. Whereas, we feel the need of better trained teachers we endorse the establishing of Summer Training Schools and we pledge our loyal hearty and individual support in the fulfillment of the educational plans of the present

administration.
With thanks of the Convocation to the President, officers and faculty of Eastern for their cordial reception and entertainment the above is respectfully submitted.

"FOOT FITTERS"

Tom--Dick and Harry
FIT ALL FEET

Just three of them, "Tom," "Dick" and "Harry"—all in the same leather. But they fit all feet all over. Solid leather all the way through! Plenty of ball room, giving absolute freedom to the toes! Snug glove-like fitters around the ankles and instep! Higher and narrower arch keeps foot from sliding forward. Narrow and shapely heel seat and counter follow natural curvature of foot, thus holding it in position. Better fitting and neater appearing than any shoe of its price.

Announcing the GUMMITE CASE

Here at last is a battery case, moulded in one complete form, including partitions that separate the cells, as well as ribs to support the separators and plates. Individual jars for cells are done away with.

The Gummite case, now available with Exide Batteries, is practically indestructible. It contains no rubber, is not affected by acid or water, heat or cold—and it will not warp.

Come in and examine the remarkable Exide Gummite case.
